OUR MISSION:

TO SHAPE A LIFELONG ENJOYMENT OF ATHLETICS
THROUGH HIGH QUALITY SPORTS EDUCATION
AND SKILL ENHANCEMENT.

WHERE SERIOUS TRAINING MEETS SERIOUS FUN

Since 1975, US Sports Camps has been operating the largest sport-camp network in the United States with more than 400 locations, including all Nike Sports Camps. Directed by some of the most passionate and accomplished coaches across the US, our camps provide the perfect blend of training and fun.

IMPROVE YOUR ENGLISH, MAKE FRIENDS FOR LIFE

In 2012, we're pleased to offer new programs for international families through a partnership with ELS, a leading provider of English instruction. We've packaged our extensive US camp offerings into several multi-week programs. Simply choose from the following options:

 A sport-only program, which includes two, three, or four-week summer sports camps.

 A sport + language program, which includes a separate one-week language program before your child's sports camp of choice.

The end result is an unbeatable combination of language studies and sport instruction that will allow your child to speak English more confidently, make new American friends, and get better at the sport they love!

INTERNATIONAL PROGRAMS HIGHLIGHTS

- Training provided by nationally recognized college and professional coaches as well as collegiate athletes.
- Each camper is evaluated and placed in training groups based on age and ability.
- Six hours of daily instruction for the right balance of instruction and free time.
- Around-the-clock supervision. Staff members reside in the dorms with the campers and participate in evening and weekend activities.
- Comfortable and safe double-occupancy dorm-style housing. Meals are included and dining facilities offer a variety of food choices.
- Fun evening and weekend activities. Camp fees include roundtrip airport transfers and weekend stayovers.
- Sport-only programs are open to campers aged 10–18.

NIKE SPORT + LANGUAGE PROGRAMS

- The language program consists of morning English classes, followed by fun afternoon activities that allow kids to practice and improve their English skills.
- During the language program, campers will reside either onsite or with an ELS* host family. Afterwards, campers will check into the Nike Sports Camp location and stay onsite for the rest of their stay.
- Sport + Language programs are designed for campers aged 13–17, except for the Curry College and Pepperdine University programs which are open to campers aged 10–17.

*For over 50 years, students have chosen ELS to achieve their English language goals. Offering dedicated teachers, exciting learning opportunities, and programs designed for young learners, ELS delivers a successful, fun and memorable experience.

soccer camps

Some call it football — we call it soccer. Whatever you call it, it's just plain fun. Your child has the option to attend Nike Soccer Camp at Curry College or one of three Nike Vogelsinger Camps. Founded by extraordinary coach Hubert Vogelsinger in 1965, these camps offer a unique environment where players can master the mental, physical, and technical skills of the game. In addition to these multi-week programs, we offer weekly Nike Soccer Camp sessions at various colleges across the US.

HIGHLIGHTS

- 10:1 camper to staff ratio.
- Players grouped by age and ability level.
- Training focused on individual skills development and team play.
- Evening games and session tournaments.
- Personal written evaluations.
